HOW TO PLAY PROPS:

- Choose one answer from the selection. There are a total of 35 possible points.
- You will get one point per correct answer.
- If two answers *could reasonably* be correct, both possible answers will receive a point. (ex. If Rihanna's first outfit is a black and gold dress, you will receive a point if you said "black" or if you said "gold/yellow".)
- The person with the most points at the end of the game wins!
